Tzu Chi Medical Journal

Erratum

For the article:

Chu TY. Risk factors and genetic markers of human papillomavirus-induced cervical carcinogenesis: a focus on Chinese populations in Southeast Asia and Southern China. *Tzu Chi Med J* 2008;20(2):91–100.

On page 92, in the section “2. HPV coevolves with its human host”, on line 5, “...500 million years...” should be corrected to “...five million years...”.

The author apologizes for the error.
