

2017 & 2018 Annual Meetings of Buddhist Tzu Chi Medical Foundation

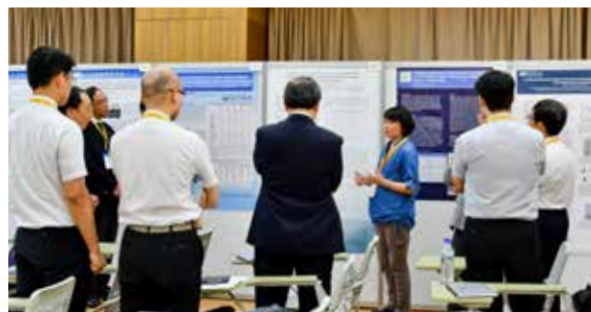

In October 2017, the first Annual Meeting of Buddhist Tzu Chi Medical Foundation commenced in Hualien Tzu Chi Hospital and Tzu Chi University.

In the 2-day annual meeting, six Tzu Chi Hospitals staff got together, presenting their research accomplishments and feature medicine respectively; located in Taiwan, and marks for an international milestone.

There are 330 people registered for the 2017 annual meeting of Buddhist Tzu Chi Medical Foundation, with 40 discussion posters and 20 posters for oral presentation.

In Sept. 2018, the Annual Meeting of Buddhist Tzu Chi Medical Foundation was held in Taipei Tzu Chi Hospital. The features of the second annual meeting are the alumni gathering of Tzu Chi University Medical School, and the nursing research essays presentation.
