

Travelling Side-by-side

Text & Photo by: Wu Shu-Chieh

**Near spring time,
Yen Hui-Mei, a Tzu Chi Commissioner,
and Sister Ku Hsueh-Mei, a Catholic nun from the Bunun tribe,
both carrying the mission of great love and compassion,
walking side by side to visit needed families in Fuli Township ,
Hualien County and Taitung County;
caring for the needy, beyond race and religion,
leaving a trail of love.
Their stories are yet to be told, to be continued...**
